**A.** Throughout this policy “You” and “Your” means the “named insured”, defined as:

1. The person shown in the Declarations of this policy as the “named insured”; and,
2. The spouse if residing with the named insured. “You” and “Your” does not include a “Health Care Provider”, with the exception of (1.) or (2.) above by way of occupation.

related to “you” by blood, marriage or adoption who is usually a resident of “your” household and who usually makes his or her home in the same family unit, whether or not temporarily living elsewhere. This includes a ward or a lawfully placed foster child.

**F.** “Insured” means

1. “You” or any “resident relative” for the ownership, maintenance or use of any “motor vehicle” or “trailer”; or

**H.** “Your covered auto” means:

1. Any “motor vehicle”, shown in the Declarations.
2. Any private passenger “replacement motor vehicle” which replaces any motor vehicle shown in the Declarations of which “you” become the “owner” during the policy period.

If the private passenger “replacement motor vehicle” “you” acquire replaces a motor vehicle shown in the Declarations, it will have the same liability, personal injury protection, and uninsured motorist coverage as the “motor vehicle” it replaced.

“Replacement motor vehicle” means a private passenger motor vehicle purchased by or leased to “you” to replace a “motor vehicle” shown in the Declarations.

Except as it pertains to Other Than Collision and Collision coverage, which is set forth in Part IV of this Policy, this policy will only provide coverage for the “replacement motor vehicle” if “you”:

- c. Notify “us”, in writing after its delivery to “you” or “your spouse”. However, no Other Than Collision or Collision coverage will be provided unless “you” notify “us” in writing prior to any “accident” or “loss” for which “you” are seeking Other Than Collision or Collision coverage and have the vehicle inspected and photographed; and

**PART I: COVERAGE FOR "BODILY INJURY" AND "PROPERTY DAMAGE" LIABILITY**

**INSURING AGREEMENT**

"We" will pay damages for "bodily injury" or "property damage" for which any "covered person" becomes legally liable as a result of an auto "accident". "We" will settle or defend, as "we" consider appropriate, any claim or suit against the "covered person" asking for these damages. In addition to our limit of liability, we will pay all defense costs we incur. "Our" duty to settle or defend ends when "our" limit of liability for this coverage has been exhausted. "We" have no duty to defend any suit or settle any claim for "bodily injury" or "property damage" not covered under this policy.

**DEFINITIONS**

"Covered person" as used in this part means:

- A. "You" or any "resident relative", for the ownership, maintenance

or use of any "motor vehicle" or "trailer", except for any "motor vehicle" or "trailer";

1. Of which "you" or any "resident relative" are the "owner" which is not defined as "your covered auto" under this policy; or
  2. Furnished or available for "your" or any "resident relative's" regular use which is not defined as "your covered auto" under this policy; or
  3. Rented or leased by "you" or any "resident relative" which is not being used as a "temporary substitute" for "your covered auto" except for a "trailer";
- B. Any person using "your covered auto" with "your" or a "resident relative's" express or implied permission;
- C. For "your covered auto", any person or entity, but only with respect to legal responsibility for acts or omissions of a person for whom coverage is afforded under this part;
- D. For any private passenger "motor vehicle" or "trailer", other than "your covered auto", any person or entity, but only with respect to legal responsibility for acts or omissions of "you" and "resident relatives" for whom coverage is afforded under this part. This provision applies only if the person or entity does not own, rent, lease nor hire the private passenger "motor vehicle" or "trailer".

## SUPPLEMENTARY PAYMENTS

In addition to "our" limit of liability, "we" will pay on behalf of a "covered person":

- A. Up to \$250 for the cost of the bail bonds required because of an auto "accident", including related traffic law violations, resulting in "bodily injury" or "property damage" covered under this policy.
- B. Premiums on appeal bonds and bonds to release attachments in any suit against the "covered person" that "we" defend.
- C. Interest accruing after a judgment is entered in any suit against the "covered person" that "we" defend. "Our" duty to pay interest ends when "we" offer to pay that part of the judgment, which does not exceed "our" limit of liability for this coverage.
- D. Up to \$50 per day for loss of earnings, but not other income, because of attendance at hearings or trials at "our" request.

- K. For any person's liability arising out of the ownership or operation of a "motor vehicle" while it is being used to carry persons or property for a fee. This exclusion does not apply to a share-the-expense car pool or a delivery by a "covered person" as a volunteer.

- S. For "bodily injury" or "property damage" that occurs while a "named insured" or any "insured" is logged onto a "transportation network company's" "digital network" or while a "named insured" or any "insured" is engaged in a "prearranged ride".

## LIMIT OF LIABILITY

The limit of liability shown in the Declarations for each person for "bodily injury" liability is "our" maximum limit of liability for all damages for "bodily injury" sustained by any one person in any one auto "accident". This includes all derivative claims arising out of said "bodily injury" which includes, but is not limited to: damages for care; loss of service or death; loss of consortium; loss of society or companionship. Subject to this limit for each person, the limit of liability shown in the

Declarations for each "accident" for "bodily injury" liability is "our" maximum limit of liability for all damages for "bodily injury" resulting from any one auto "accident". The limit of liability shown in the Declarations for each auto "accident" for "property damage" liability is "our" maximum limit of liability for all damages to all property resulting from any one auto "accident". However, if the "accident" occurs outside the state of Florida and within the territories covered by this policy and that state or territory has any compulsory insurance, financial responsibility law, or similar law that applies to nonresidents specifying limits of liability higher than the limits shown in the Declarations Page under this policy or the minimum limits required by the financial responsibility law of Florida, this policy will be governed by the applicable laws of Florida or the territory where the "loss" occurs.

This is the most "we" will pay regardless of the number of "covered persons", claims made, vehicles or premiums shown in the Declarations, or vehicles involved in the auto "accident".

The limits of liability are not increased because more than one person or "entity" may be a "covered person"; and

A motor vehicle and attached vehicle are one vehicle, therefore the maximum limits of liability are subject to the limits of any one vehicle.

## FINANCIAL RESPONSIBILITY

When "we" certify this policy as proof under the Florida financial responsibility law, it will comply with the law to the extent of the coverage required under all Florida Statutes as provided in Florida Statute, Chapter 324.

## LEGAL ACTION AGAINST "US"

No legal action may be brought against "us" until there has been full compliance with all the terms of this policy nor until thirty days after the required notice of auto "accident" and proof of claim has been filed with "us". In addition, under this section of the policy, no legal action may be brought against "us" until "we" agree, in writing, that the "covered person" has an obligation to pay or until the amount of that obligation has been finally determined by verdict after trial. No person or entity has any right under this policy to bring "us" into any action to determine the liability of a "covered person" until after the rendition of a verdict. Unless we agree otherwise, any legal action against us must be brought in a court of competent jurisdiction for the county and state where the person seeking coverage from this policy lived at the time of the "accident".

## SUBMIT A PROOF OF LOSS WHEN REQUIRED BY "US"

As soon as practicable, the person making the claim shall give to "us" written proof of claim, under oath if required, which may include information as may assist "us" in determining the amount due and payable.

A person seeking any coverage under this section of the policy must cooperate with "us" in the investigation, settlement or defense of any claim or suit, including submitting to an examination under oath by any person named by "us" when or as often as "we" may reasonably require at a place designated by "us" within a reasonable time after "we" are notified of the claim.

**ADDITIONAL DUTIES AND CONDITIONS FOR ANY INSURED OR ANY PERSON, OTHER THAN AN ASSIGNEE OR THIRD PARTY CLAIMANT MAKING A LIABILITY CLAIM, SEEKING COVERAGE:**

An “insured” or a person seeking any coverage must comply with the terms of the policy, which include, but are not limited to;

1. Giving “us” all details about the “accident”, “loss”, death, injury, treatment or other information necessary to determine if there is coverage for the claim and, if so, the amount payable;
2. Authorizing “us” to obtain, at “our” discretion:
  - a. Medical records and bills;
  - b. Other pertinent records or documents;
3. Submitting, as often as “we” require:
  - a. To recorded statements, telephonically if requested by “us”, outside the presence of any other “insured”, “covered person”, witness or any person making claim, except for that person’s personal representative. Upon conclusion of your statement, we may require that the statement be signed verifying the accuracy and truthfulness of your assertions.
  - b. To sworn statements outside the presence of any other “insured”, “covered person”, witness or person making claim, except for that person’s personal representative. Upon conclusion of your statement, we may require that the statement be signed verifying the accuracy and truthfulness of your assertions.

1. “You” or any “family member”;

1. “Uninsured motor vehicle” means a land “motor vehicle” or “trailer” of any type:
    - a. To which no liability bond or policy applies at the time of the “accident”.

If there is no physical contact with the hit-and-run vehicle and no witnesses other than any person making a claim under this or any similar coverage: (1) The “accident” must be reported to the police or law enforcement within 24 hours or as soon as practicable; AND (2.) “We” must be notified within 30 days of the “accident” or as soon as practicable.

- d. To which a liability bond or policy applies at the time of the “accident”, but the bonding or insuring company denies coverage or is insolvent, or becomes insolvent within 4 years after the “accident”.
2. Uninsured motor vehicle does not include any vehicle or equipment:
- a. Owned by or furnished or available for the regular use of “you” or any “family member”; unless, it is “your covered auto” to which Part I of the policy applies and liability coverage is excluded for any person other than “you” or any “family member” for damages sustained in the “accident” by “you” or any “family member”.
  - b. Operated on rails or crawler treads.
  - c. Designed mainly for use off public roads while not upon public roads.
  - d. While located for use as a residence or premises.

**INSURING AGREEMENT**

1. Sustained by a “covered person”; and
  2. Caused by an auto “accident”; and
  3. Caused by an “owner” and/or operator of an “uninsured motor vehicle” arising out of the ownership or operation of that vehicle.

However, this coverage does not apply and “we” will not pay damages for pain, suffering, mental anguish, or inconvenience unless the “bodily injury” consists in whole or in part of:

1. Significant and permanent loss of an important bodily function;
2. Permanent injury within a reasonable degree of medical probability, other than scarring or disfigurement;
3. Significant and permanent scarring or

- disfigurement; or
4. Death.

Any judgment for damages arising out of a suit brought without “our” written consent is not binding on “us”.

#### LIMIT OF LIABILITY

**A.** “Accidents” involving “bodily injury” to “you” or any “family member”.

1. For “bodily injury” sustained by “you” or any “family member” in any one “accident”, “our” maximum limit of liability for all resulting damages, including, but not limited to:
  - a. All direct;
  - b. All derivative; or
  - c. All consequential;

Damages recoverable by any “covered person”, is the sum of the limits of liability per individual shown in the Declarations for UM Coverage.

2. Subject to the maximum limit of liability per individual set forth above in A. 1, “our” maximum limit of liability for all damages for “bodily injury” resulting from any one “accident” is the sum of the limits of liability shown in the Declarations per “accident” for UM Coverage.

“You” or any “family member” who sustains “bodily injury” in the “accident” will also be entitled to a pro-rata share of the sum of the limits of liability per “accident”, for those vehicles to which UM Coverage applies, as shown in the Declarations. A person’s pro-rata share shall be the proportion that that person’s damages bears to the total damages sustained by all “covered persons”.

**B.** Accidents involving “bodily injury” to any “covered person” other than “you” or any “family member”.

1. For “bodily injury” sustained by any “covered person” other than “you” or any “family member” in any one “accident”, “our” maximum limit of liability for all resulting damages, including, but not limited to:
  - a. All direct;

  - c. All consequential;

Damages recoverable by any “covered person”, is the sum of the limits of liability per individual shown in the Declarations for UM Coverage.

2. Subject to the maximum limits of liability per individual set forth above in B. 1, “our” maximum limit for all damages for “BODILY INJURY” resulting from any one “accident” is the sum of the limits of liability shown in the Declarations per “accident” for UM Coverage.

**C.** The limits of liability described in Paragraphs A. and B. above are the most “we” will pay regardless of the number of:

1. “Covered persons”;
2. Claims made;
3. Vehicles or premiums shown in the Declarations; or
4. Vehicles involved in the “accident”.

**D.** Any amount otherwise payable for damages under UM Coverage shall be reduced by all sums payable because of the “bodily injury” under any:

1. Workers’ compensation law;
2. Disability benefits law or similar law;
3. No-Fault/PIP Coverage;
4. Automobile medical expense coverage or similar coverage;
5. Or motor vehicle liability insurance.

**E.** Any amount otherwise payable for damages under UM shall be reduced by all sums paid because of the “bodily injury” by or on behalf of persons or entities that may be legally responsible. This includes all sums payable under Part I.

#### EXCLUSIONS

**A.** “We” do not provide UM Coverage for “bodily injury” sustained by any “covered person”:

1. If that person or legal representative settles the “bodily injury” claim without “our” written consent. However, this exclusion (A. 1.) does not apply:
  - a. If such settlement does not prejudice “our” right to recover payment; or
  - b. If that person or legal representative provides “us” with advance notice of any proposed settlement as required by Part V. G. – Additional Duties for any “covered person” seeking Uninsured Motorist Coverage.
2. While “occupying” “your covered auto” when it is being used to carry persons for a fee. This exclusion (A. 2.) does not apply to a share-the- expense car pool.
3. While using a vehicle without express or implied permission.

**D.** “We” do not provide UM Coverage for “bodily injury” that occurs while a “covered person” or any “insured” is logged onto a “transportation network company’s” “digital network” or while a “covered person” or any “insured” is engaged in a “prearranged ride”.

#### OTHER INSURANCE

If there is other applicable similar insurance “we” will pay only “our” share of the “loss”. “Our” share is the proportion that “our” limit of liability bears to the total of all applicable limits. However, any insurance “we” provide with respect to a vehicle “you” or a “family member” do not own, shall be excess over any other collectible insurance.

#### NON-DUPLICATION

No “covered person” will be entitled to receive duplicate payments under this coverage for the same elements of “loss” which were:

- A. Paid because of the “bodily injury” by or on behalf of persons or entities that may be legally responsible.
- B. Paid or payable under any workers’ compensation law or similar disability benefits law.
- C. Paid under another provision or coverage in this policy.
- D. Paid under any No-Fault/PIP Coverage, paid under any automobile medical expense coverage or paid under any other similar coverage.

**ADDITIONAL DUTIES FOR ANY PERSON SEEKING UNINSURED MOTORIST COVERAGE:**

A person seeking coverage under Uninsured Motorist Coverage must also comply with the following:

- 1. If there is no physical contact with the hit-and- run vehicle and no witnesses other than any person making claim under this or any similar coverage, the “accident” must be reported to the police or law enforcement within 24 hours, or as soon as practicable, AND “we” must be notified within 30 days of the “accident” or as soon as practicable.
- 2. Promptly send “us” at once a copy of all papers if a lawsuit is brought.
- 3. If the “covered person” and the owner or operator of the “uninsured motor vehicle” legally liable for the “covered person’s” Bodily Injury reach a settlement agreement to pay the “covered person” such person’s limits of liability, the “covered person” must submit the agreement to “us” in writing for “our” approval prior to final execution of such settlement agreement if:
  - a. The settlement would not fully satisfy the “covered person’s” claim for Bodily Injury, and
  - b. An “uninsured motor vehicle” claim has been or will be made against “us”.

A “covered person” may not file suit against “us” and the legally liable person until after 30 days upon “our” receipt of the settlement agreement if “we” do not:

- c. Approve the settlement; or
- d. Waive “our” rights of recovery against the person or entity legally liable for the Bodily Injury; and, if “we” don’t approve the settlement with the uninsured motorist carrier, “we” will pay the amount offered as settlement to their insured.

The suit shall decide if the “covered person” is legally entitled to collect damages and if so, the amount. Failure to comply with the duties and conditions described above may result in the insurer not paying benefits under this policy.

**ARBITRATION**

- A. If “we” and a “covered person” disagree as to:
  - 1. Whether the “covered person” is legally entitled to recover damages from the “owner” or operator of an uninsured motor vehicle or an

underinsured motor vehicle; or

- 2. The amount of damages that the “covered person” is legally entitled to collect from that “owner”;
- Then, that disagreement may be arbitrated, provided both parties so agree. This arbitration shall be limited to the two aforementioned factual issues and shall not address any other issues. Any arbitration finding that goes beyond the two aforementioned factual issues shall be voidable by “us” or a “covered person”.
- B. If both parties agree to arbitration, each party will select an arbitrator, and those two arbitrators will select a third. If the two arbitrators cannot agree on a third within thirty (30) days, either may request that selection be made by a judge of a court having jurisdiction. Each party will pay the expenses it incurs and bear the expenses of the third arbitrator equally.
  - C. Unless both parties agree otherwise, arbitration will take place in the county in which the covered person lived at the time of the “accident”, and local rules of law as to procedure and evidence will apply. If all parties agree prior to arbitration, a decision agreed to by two of the arbitrators will be binding up to the coverage limit of liability.

A physician, hospital, clinic, or other person or institution lawfully rendering treatment to an injured person for a bodily injury covered by personal injury protection insurance may charge us and the injured party only a reasonable amount for the services and supplies rendered, and we may pay for such charges directly to such person or institution lawfully rendering such treatment if the insured receiving such treatment or his or her guardian has countersigned the properly completed invoice, bill, or claim form upon which such charges are to be paid for as having actually been rendered, to the best knowledge of the insured or his or her guardian. However, such a charge may not exceed the amount the person or institution customarily charges for like services or supplies.

At our discretion, we may limit reimbursement to 80 percent of the following schedule of maximum charges and apply Medicare coding policies and payment methodologies of the federal Centers for Medicare and Medicaid Services, including applicable modifiers, to determine the appropriate amount of reimbursement for medical services, supplies, or care if the

coding policy or payment methodology does not constitute a utilization limit:

- a. For emergency transport and treatment by providers licensed under chapter 401, 200 percent of Medicare.
- b. For emergency services and care provided by a hospital licensed under chapter 395, 75 percent of the hospital's usual and customary charges.

  - (III) The Durable Medical Equipment Prosthetics/Orthotics and Supplies fee schedule of Medicare Part B, in the case of durable medical equipment.

However, if such services, supplies, or care is not reimbursable under Medicare Part B, as provided in this sub-subparagraph, "we" may limit reimbursement to 80 percent of the maximum reimbursable allowance under workers' compensation, as determined under s. 440.13 and rules adopted thereunder which are in effect at the time such services, supplies, or care is provided. Services, supplies, or care that is not reimbursable under Medicare or workers' compensation is not required to be reimbursed by "us".

For purposes of the above provision, the applicable fee schedule or payment limitation under Medicare is the fee schedule or payment limitation in effect on March 1 of the service year in which the services, supplies, or care is rendered and for the area in which such services, supplies, or care is rendered, and the applicable fee schedule or payment limitation applies to services, supplies, or care rendered during that service year, notwithstanding any subsequent change made to the fee schedule or payment limitation, except that it may not be less than the allowable amount under the applicable schedule of Medicare Part B for 2007 for medical services, supplies, and care subject to Medicare Part B. Beginning at the end of the initial 30-day period, "we" have an additional 60 days to conduct our fraud investigation. No later than 90 days after the submission of the claim, "we" will deny a claim due to fraud of only the insured person committing the fraud pursuant to Florida Statute 627.736(4)(h) or pay the claim with simple interest. Interest shall be assessed from the day the claim was submitted until the day the claim is paid. All claims denied for suspected fraudulent insurance acts shall be reported to the Division of Investigative and Forensic Services.

## **DEMAND LETTER**

- A.** As a condition precedent to filing any action for benefits under this section, written notice of an intent to initiate litigation must be provided to "us". Such notice may not be sent until the claim is overdue, including any additional time "we" have to pay the claim pursuant to paragraph (4)(b) of Florida Statute 627.736.
- B.** The notice must state that it is a "demand letter under Florida s. 627.736" and state with specificity:
1. The name of the insured upon which such benefits are being sought, including a copy of the assignment giving rights to the claimant if the claimant is not the insured.
  2. The claim number or policy number upon which such claim was originally submitted to "us".
  3. To the extent applicable, the name of any medical provider who rendered to an insured the treatment, services, accommodations, or supplies that form the basis of such claim; and an itemized statement specifying each exact amount, the date of treatment, service, or accommodation, and the type of benefit claimed to be due. A completed form satisfying the requirements of paragraph (5)(d) of Florida Statute 627.736. or the lost-wage statement previously submitted may be used as the itemized statement. To the extent that the demand involves a withdrawal of payment under paragraph (7)(a) of Florida Statute 627.736 for future treatment not yet rendered, the claimant shall attach a copy of "our" notice withdrawing such payment and an itemized statement of the type, frequency, and duration of future treatment claimed to be reasonable and medically necessary.

C. Each notice required by this subsection must be delivered to “us” by United States certified or registered mail, return receipt requested. Such postal costs shall be reimbursed by “us” if requested by the claimant in the notice, when “we” pay the claim. Such notice must be sent to the person and address specified by “us” for the purposes of receiving notices under this subsection. Each licensed insurer, whether domestic, foreign, or alien, shall file with the office the name and address of the designated person to whom notices must be sent which the office shall make available on its Internet website. The name and address on file with the office pursuant to Florida s. 624.422 is deemed the authorized representative to accept notice pursuant to this subsection if no other designation has been made.

D. If, within 30 days after receipt of notice by “us”, the overdue claim specified in the notice is paid by “us” together with applicable interest and a penalty of 10 percent of the overdue amount paid by “us”, subject to a maximum penalty of \$250, no action may be brought against “us”. If the demand involves a withdrawal of payment under paragraph (7)(a) of Florida Statute 627.736. for future treatment not yet rendered, no action may be brought against “us” if, within 30 days after its receipt of the notice, “we” mail to the person filing the notice a written statement of “our” agreement to pay for such treatment in accordance with the notice and to pay a penalty of 10 percent, subject to a maximum penalty of \$250, when it pays for such future treatment in accordance with the requirements of this section. To the extent “we” determine not to pay any amount demanded, the penalty is not payable in any subsequent action. For purposes of this subsection, payment or “our” agreement shall be treated as being made on the date a draft or other valid instrument that is equivalent to payment, or “our” written statement of agreement, is placed in the United States mail in a properly addressed, postpaid envelope, or if not so posted, on the date of delivery.

E. The applicable statute of limitation for an action under this section shall be tolled for 30 business days by the mailing of the notice required by this subsection.

  - 2. While committing a felony.

Whenever a person is charged with committing a felony, payment of any personal injury benefits will be withheld pending the outcome of the case at the trial level. If the charge is nolle prossed or dismissed or the person is acquitted, the 30-day payment provision shall run from the date we are notified of such action.

- D. To the “named insured” or the “named insured’s” dependent relatives residing in the same household for work loss benefits if an entry in the Declarations indicates such coverage does not apply;
- E. To any person who sustains “bodily injury” while “occupying” a “motor vehicle” located for use as a residence or premises;
- F. To any person who sustains “bodily injury” while:
  - 1. “Occupying” a “motor vehicle”, other than the “insured motor vehicle”; or
  - 2. A “pedestrian”;Outside the State of Florida; except for the “named insured” while occupying a “motor vehicle” owned by the “named insured’s” relative, residing in the same household, if that relative is in compliance with Florida Statute 627.733.

#### PAYMENT OF ANY AMOUNT DUE:

“We” will pay any amount due:

If “we” pay only a portion of a claim or reject a claim due to an alleged error in the claim, “we”, at the time of the partial payment or rejection, shall provide an itemized specification or explanation of benefits due to the specified error. Upon receiving the specification or explanation, the person making the claim, at the person's option and without waiving any other legal remedy for payment, has 15 days to submit a revised claim, which shall be considered a timely submission of written

notice of a claim.

“We” may pay death benefits to: a.) The executor or administrator of the deceased; b.) To any of the deceased’s relatives by blood, legal adoption or connection by marriage; or c.) To any person appearing to “us” to be equitably entitled thereto, after a formal written request for payment of such benefits is made.

**NO DUPLICATION OF BENEFITS:**

No “insured” shall recover twice for the same expense or “loss” under this or similar vehicle insurance or self-insurance.

**LIMIT OF LIABILITY:**

Regardless of:

- A. The number of persons insured;
- B. Policies or bonds applicable;
- C. Vehicles involved; or
- D. Claims made;

The total aggregate limit of personal injury protection benefits available under the Florida Motor Vehicle No-Fault Law from all sources combined, including this policy, for “loss” and expenses incurred by or on behalf of any one person who sustains “bodily injury” as a result of any one “accident”, shall be \$10,000; provided that payment of death benefits of \$5,000 in addition to the foregoing shall apply. If worker’s compensation benefits have been received for the same items of “loss” and expenses under any worker’s compensation law, those items of “loss” and expenses will be credited against the personal injury protection damages claimed with respect to such “bodily injury” under this section of the policy. The limits of liability shown in the Declarations are the maximum limit of liability “we” will pay.

If benefits have been received under the Florida Motor Vehicle No-Fault Law from any insurer for the same items of “loss” and expenses for which benefits are available under this policy, “we” shall not be liable to make duplicate payments to or for the benefit of the injured person; but, the insurer paying such benefits shall be entitled to recover from “us” its equitable pro-rata share of the benefits paid and expenses incurred in processing the claim.

The amount of any deductible stated in the schedule of Declarations shall be applied to 100 percent of the expenses and “losses” described in section 627.736, Florida Statutes, as amended, incurred by, or on behalf of, each person to whom the deductible applies and who sustains bodily injury as the result of any one “accident”. After the deductible is met, each insured is eligible to receive up to \$10,000 in total benefits described in section 627.736, Florida Statutes. However, this subsection shall not be applied to reduce the amount of any benefits received in accordance with section 627.736, Florida Statutes.

No coverage will be provided for punitive damages.

**REIMBURSEMENT:**

“We” have a right to recover “our” Personal Injury Protection payments from the owner of or the company insuring a “commercial motor vehicle” if “we” have made payment for “bodily injury” resulting from the “insured’s” occupying or being struck as a “pedestrian” by that “commercial motor vehicle”. This right of recovery, under this Section, does not apply to an owner or registrant of a taxicab as identified in Florida Statutes S. 627.733(1)(b).

**WHEN THERE IS OTHER NO-FAULT COVERAGE OR “YOU” OWN MORE THAN ONE VEHICLE:**

**Vehicles “You” Own:**

- A. If “you” are the “owner” of the vehicle involved in the “accident”, this coverage applies only if it is an “insured motor vehicle”.
- B. If the “insured motor vehicle” is also described in a policy issued to “you” by another company, the total limits of liability shall not exceed those of the policy with the highest limits of liability.

**ADDITIONAL DUTIES FOR ANY PERSON SEEKING PERSONAL INJURY PROTECTION (NO-FAULT) COVERAGE:**

**1. Medical Reports and Examinations.**

Any person making a claim shall submit to, as often as “we” request and at “our” expense, mental or physical examinations by a physician of physicians of “our” choice. This includes physical and mental examinations by doctors that “we” select regardless of the specialty of the treating physician. If requested in writing, a copy of the medical report shall be provided to such person. If a person making a claim unreasonably refuses to submit to or fails to appear at a medical examination, then said person will have breached this insurance policy. If you breach this insurance policy, then “we” will not be liable for subsequent personal injury protection benefits. A refusal to submit to or failure to appear at two examinations raises a rebuttable presumption that the person’s refusal or failure was unreasonable. Until “you” notify “us” of an address change, “you” agree that the current address that “you” have provided to “us” is a valid address for accepting notices relating to this provision, including any email address which you have provided so that we may notify you electronically. “You” agree to promptly update and maintain address records with the United States Postal Services.

**2. Examination Under Oath.**

As a condition precedent to receiving personal injury protection benefits, any insured seeking benefits under section 627.730-627.7405, Florida Statutes, as amended, including an omnibus insured, must submit to an examination under oath by any person named by "us" when or as often as "we" may require. This will occur at a place designated by "us". Only the person being examined may be present during any examination. If the person being examined is represented by an attorney, or is a minor who requires a legal guardian, both the attorney and/or

the legal guardian of a minor may also be present. The scope of the questioning during the examination under oath is limited to relevant information or information that could reasonably be expected to lead to relevant information. a. The "named insured" shown in the Declarations may cancel by giving "us" written notice of the date cancellation is to take effect, which must be later than the date "you" mail or deliver the notice to "us".   - iii. Mailing this notice by registered, certified mail or United States Post Office proof of mailing shall be sufficient proof of notice.
- b. If this is a new policy, “we” will not cancel for nonpayment of premium during the first sixty (60) days following the date of policy issuance unless a check used to pay “us” is dishonored for any reason. However, “we” may cancel for any other reason.
- c. After this policy has been in effect for sixty (60) days, or if this policy is a renewal or continuation policy, “we” will cancel only:

**3. Cancellation Due to Incorrect Premium**

In the event “we” determine that “you” have been charged an incorrect premium for coverage requested in “your” application for insurance, “we” shall immediately mail “you” notice of any additional premium due “us”. “Our” right to non-renew this policy is subject to the limitations contained in the Florida Statutes. We cannot refuse to issue, reissue, or renew a policy; cancel or otherwise terminate a policy; or charge an unfairly discriminatory rate in this state based on the lawful use, possession, or ownership of a firearm or ammunition by the insurance applicant, insured, or a household member of the applicant or insured.

**C. Automatic Termination**

If “we” offer to renew or continue and “you” or “your” representative do not accept, this policy will automatically terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due shall mean that “you” have not accepted “our” offer.

If “you” obtain other insurance on “your covered auto”, any similar insurance provided by this policy will terminate as

to that "motor vehicle" on the effective date of the other insurance.

#### **D. Other Termination Provisions**

shown on the Declarations dies, coverage will be provided for:

- A. The surviving spouse if resident in the same household at the time of death. Coverage applies to the spouse as if a "named insured" shown in the Declarations; and
- B. The legal representative of the deceased person as if a "named insured" shown in the Declarations. This applies only with respect to the representative's legal responsibility to maintain or use "your covered auto".

#### **TWO OR MORE AUTO POLICIES**

If this policy and any other auto insurance policy issued to "you" by "us" apply to the same "accident", the maximum limit of "our" liability under all the policies shall not exceed the highest applicable limit of liability under any one policy.

"Your" bankruptcy or insolvency, or that of "your" estate, will not relieve "us" of "our" obligations under this policy.

#### **MEDIATION OF CLAIMS**

In any claim filed with an insurer for bodily injury in the amount of \$10,000 or less or any claim for "property damage" in any amount arising out of the ownership, operation, use or maintenance of a "motor vehicle", either party may demand mediation of the claim prior to the institution of litigation.

A request for mediation shall be filed with the Department on a form approved by the Department. The request for mediation shall state the reason for the request for mediation and the issues in dispute which are to be mediated. The filing of a request for mediation tolls the applicable time requirements for filing suit for a period of 60 days following the conclusion of the mediation process or the time prescribed in Statute 95.11, whichever is later.

The mediation shall be conducted as an informal process in which formal rules of evidence and procedure need not be observed. Any party participating in a mediation must have the authority to make a binding decision. All parties must mediate in good faith. The Department shall randomly select mediators. Each party may once reject the mediator selected, either originally or after the opposing side has exercised its option to reject a mediator. Costs of mediating shall be borne equally by both parties unless the mediator determines that one party has not mediated in good faith.

Only one mediation may be requested for each coverage of a claim, unless all parties agree to further mediation.

Upon receipt of a request for mediation, the Department shall refer the request to a mediator. The mediator shall notify the applicant and all interested parties, as identified by the applicant, and any other parties the mediator believes may have an interest in the mediation, of the date, time and place of the mediation conference.

The conference may be held by telephone, if feasible.

The mediation conference shall be held within forty-five days after the request for mediation.

The provisions of Section 627.745, Florida Statutes, will apply.
